

DPG and MIG Attendee Lounge “Takeover” Sessions

Are you looking to talk with your colleagues? Do you want to continue conversations following educational sessions? Are you looking to learn more about your practice or interest area? Throughout FNCE[®], each DPG and MIG will be hosting a “takeover” of the attendee lounge providing you the opportunity to connect with mentors and experts in the field. “takeovers” are open to any attendee.

Visit the attendee lounge at any point during the times listed below to join in the conversation.

Check out more ways to engage with DPGs and MIGs!

Maximize your Membership with a DPG/MIG

Visit the DPG/MIG booth during FNCE[®] to learn how to get involved with niche practice and interest groups. DPGs enable members to enhance their specialized knowledge, advance their careers, and establish relationships with colleagues in the same area of practice. MIGs connect members who share a common interest, issues or backgrounds. DPGs and MIGs offer year-round cutting edge virtual learning opportunities, content experts, networking opportunities and online communities. Membership is open to any Academy member regardless of career stage, area of practice or Interests. Visit the DPG/MIG Booth during FNCE[®] to learn more about any of the 34 groups, ask questions and download examples of member benefits.

Practice and Interest Area Social Events – Hosted by DPGs and MIGs

Don't miss catching up with your peers, hearing advice from mentors and participating in fun networking events during FNCE[®]. Dietetic practice groups (DPGs) and member interest groups (MIGs) are offering ways for you to relax and connect. DPG/MIG membership is not required to participate and there are no additional costs to attend. Individual event registration is required.
